Village Ringers present "Starry Night"

Submitted by Bonnie Fisher, Director, *Village Ringers*

The ***Village Ringers***, an auditioned handbell choir under the direction of Bonnie Fisher, present ***"Starry Night"*** – a beautiful evening of Christmas music featuring selections that tell about the Star of Bethlehem which guided the shepherds to the Savior's birthplace. Village Ringers TOO, a group of intermediate level handbell ringers, under the direction of Cathy Bullock, will also be participating in this concert.

As you sit comfortably around tables, enjoying light refreshments, you will be delighted by the variety of sounds a handbell can make! You will also become part of the program as you sing many of your favorite Christmas Carols and – yes – even ring your own bells! You will be delighted by the beautiful visuals and candlelight, making for a perfect Christmas celebration!

This concert takes place on Tuesday, December 8 th, at 7:00 pm at New Covenant United Methodist Church. Tickets are only $20.00 and are available at www.ncumcfl.com/concerts or at the door. Due to table seating, you are encouraged

to purchase your tickets in advance, although extra seats will be made available. ■
