Village Ringers presents

Joyful Bells!

Submitted By Bonnie Fisher, Director, Village Ringers

Village Ringers is a group of experienced handbell enthusiasts. Handbells are a unique instrument in that each individual is responsible for ringing anywhere from 4-7 bells. Each person is inter-dependent on the other. If a person is absent, their notes of the scale are missing, thus the piece is not complete.

This year's Christmas concert, directed by Bonny Fisher, is entitled *Joyful Bells!* It will be an unforgettable evening of candlelight and beautiful handbells ringing your favorite Christmas tunes, and your soon-to-be favorites!

Joyful Bells! will be presented at New Covenant United Methodist Church on December 9th at 7:00 pm. Tickets are available at www.ncumcfl.com/tickets. For more information visit www.VillageRingers.com. ■
